Kids' Fun Street • Park Street and First Avenue

Visit Kids' Fun Street to celebrate "Green Spaces." This year Kids' Fun Street offers crafts that celebrate the caring of the earth through recycling. All of the crafts are made from recycled or reused items. Kids of any age can do hands-on crafts like – Oceans in a Bottle, Make Your Own Button, Milk-Jug-Lid Ladybug Magnets and Artistic Trading Cards. Teaching kids how to recycle is the perfect way to make a difference in protecting the earth. Children who learn the importance of recycling and reusing carry those messages with them through life, making them more likely to take care of the earth in the future. Kids can also enjoy face painting, bounce house activity and the Jackson Township Firehouse. Don't miss the fun designed just for kids at Arts in the Alley!
